

Great Joy In The City Ministries

“With God all things are possible”

February 2019

Dear BSCMF Member,

"I know what I'm doing. I have it all planned out—plans to take care of you, not abandon you, plans to give you the future you hope for. When you call on me, when you come and pray to me, I'll listen. When you come looking for me, you'll find me. Yes, when you get serious about finding me and want it more than anything else, I'll make sure you won't be disappointed."

- **Jeremiah 29: 11-14 (The Message Bible)**

This is a year of great Kingdom Manifestations and Demonstrations; the Word of the Lord has been spoken, and you can be assured of its truthfulness. But you also need to understand that God's best does not just come to us because it is some special time of Kingdom spiritual release. No, like everything else, as a Child of God we are to walk and receive by Faith in God's Word. Too many Believers think when a prophetic Word is spoken, they can just sit back and relax waiting for it to just appear in their lives. When they fail to believe and ACT BY FAITH (as God's Word declares we must do to inherit the promises of God) and it doesn't manifest in their lives, they believe the prophetic Word is false; or that God doesn't really love them enough to manifest it into their lives. But I want you to read the scripture above; and specifically, God's desire and plan for you:

It first states that God IS God, and he knows the beginning of a matter from its end. How many times do Believers wrongly think that God doesn't care about them; or He is not constantly thinking good thoughts or plans for their lives? As it states, God has it **"all planned out – plans to take care of you, not abandon you, plans to give you the future you hope for."** If you are reading this letter while facing problems that are "impossible situations", you can relax, be at peace and full of joy knowing that God's eye is upon you. It may look like an impossible situation to you, but God has everything well under control – indeed, not only does He have a plan already set up to turn that impossible situation around, He has a plan that gives you all the answers that you've been hoping for; your greatest desires and dreams. Now this is the key to your walking in that supernatural "Days of Heaven upon the Earth" life: (read the last part of the scripture above): **"When you get serious about finding me and want it more than anything else, I'll make sure you won't be disappointed."** There are a few key revelatory points that you must follow to receive this: Firstly, you must be disciplined to focus upon your relationship with God in studying the Word and in prayer. By doing so, you'll be in intimate contact with God; your trust level of God's faithfulness will increase. Also, by being in intimate relationship with God, God's Will becomes your Will; his plans become your plans. This is how Jesus walked upon the Earth; therefore, he said, "Not my will, but your Will be done." When you act upon God's plan, God acts miraculously to bring it to pass in your life. Secondly, you must become a "new creation in Christ Jesus", and the old bad things of your life must be buried once and for all time. Because when you do not rely upon past experiences of your life, then you can fully come to know that God loves you. When God says, **I'll make sure you won't be disappointed"**, you can rest in the knowledge that good things are going to happen soon. Understand my dear friend, God has so much for you this year; but you need to spiritually come up higher to receive it all. It's a year of miraculous demonstrations of God's love – **receive it all!**

May God bless you richly,

Dr. Will Pantin
